**Installation Instructions:**

**No Tools Required**

1. Remove gate from package and ensure the handle is in the vertical (up) position behind the gate catch. Place gate on floor and expand so that all four bumpers are in contact with the sides of opening.

2. Rotate locking handle and insert handle tab into slot that provides enough tension to secure gate.

3. To release locking handle, twist handle outward and pull gently away from gate.

4. Clean with water and non-abrasive cleaner. Rinse with water and allow to air dry.

**WARNING**

- For use with pets only.
- **STOP** using when a pet can climb over or dislodge the gate.
- Install only with locking/latching mechanism securely engaged on side away from pet.
- **NEVER** use at top of stairs.
- This product will not necessarily prevent all accidents.
- Periodically check all fasteners to be sure they are tight and secure, stop using gate if any parts are missing or become damaged.
- Do not attempt to use this gate in temperatures less than 40 degrees F (4˚C) or damage may result.
